1. Professional Summary

Associate Professor and Department Head with 18+ years of academic, research, and consultancy experience in Food Science, Food Safety, Biotechnology, and Quality Systems. Specialized in meat and fish product technology, functional foods, and natural bioactive ingredients. Recognized expertise in ISO 22000, FSSC 22000, HACCP, and BRCGS. Author of 40+ peer-reviewed publications and book chapters with strong international collaborations. Committed to translating research into industry-driven food safety and preservation solutions while contributing to sustainable food systems aligned with Egypt's Vision 2030.

2. Current Position

Associate Professor & Head, Department of Food Science and Technology
Faculty of Agriculture, Menoufia University, Egypt (Nov 2023 – Present)

- Lead academic, research, and administrative activities.
- Supervise MSc and PhD research in food safety, biotechnology, and preservation.
- Coordinate curriculum development and quality assurance.
- Lead international collaborations and joint research initiatives.

3. Previous Academic Appointments

- Associate Professor – Menoufia University (2023–Present)
- Assistant Professor – Menoufia University (2013–2018)
- Assistant Lecturer – Menoufia University (2012–2018)
- Demonstrator / Teaching Assistant – Menoufia University (2007–2012)

4. Education & Professional Certifications

- **PhD, Food Science & Technology** – Voronezh State University of Engineering Technologies, Russia, 2018
- **MSc, Food & Dairy Sciences** – Menoufia University, Egypt, 2012 (First Rank, GPA 4.0/4.0)
- **BSc, Food & Dairy Sciences** – Menoufia University, Egypt (First Rank, GPA 4.0/4.0)

International Diplomas & Training

- Higher Diploma in Scientific Documentation, Russian Federation, 2018
- Higher Diploma in Professional Russian Language, Russian Federation, 2018
- Higher Diploma in Graphical & Mathematical Interpretation of Experimental Data, 2018
- Higher Diploma in Postgraduate Student Consultation, 2018
- **Entrepreneurship & Small Business Certification**, Certiport, 2021

5. Administrative & Professional Roles

- Academic Director – Food Safety & Quality Program (English Program)
- Director – Central Laboratory, Faculty of Agriculture
- Coordinator – International Relations Office, Menoufia University
- Member – Research Innovation Office (2023–2024)
- Food Industry Consultant – National & International Food Companies

6. Professional Memberships & Affiliations

- Egyptian Society of Food Science and Technology
- Institute of Food Technologists (IFT), USA

- International Association for Food Protection (IAFP)
- International Union of Food Science & Technology (IUFoST)
- European Federation of Food Science and Technology (EFFoST)
- Society of Food Engineering – International Member
- Global Harmonization Initiative (GHI) – Member
- International Society of Food Engineering (ISFE)
- The Nutrition Society (UK) – Corresponding Member
- Editorial & Peer Review Roles – Frontiers, Elsevier, MDPI, Wiley, Springer

7. Professional Experience

Academic Leadership & Teaching

- Led departmental academic, research, and administrative functions.
- Supervised 10+ PhD, 20+ MSc, and 50–70+ undergraduate students per year.
- Delivered courses in Food Microbiology, Safety, Chemistry, Packaging, Meat & Fish Technology, Preservation, Functional Foods, Biotechnology, and Quality Control.
- Active participant in program accreditation, curriculum development, and quality assurance committees.

Industry & Consultancy

- Implemented ISO 22000, FSSC 22000, HACCP, BRCGS, ISO 9001, ISO 14001, and ISO 45001 standards.
- Provided consultancy to multiple national and international food companies (e.g., AJWA, REGINA, Royal Pack, AFIA, EMISAL).
- Developed HALAL certification criteria and training programs for industry clients.
- Participated in ISO/TC 34/SC 17 and Codex Alimentarius standard development.

8. Awards & Honors

- University Encouragement Award for Agricultural Sciences – Menoufia University, 2023
- Supervision Award – Best Graduation Project – Faculty of Agriculture, 2024
- Science Award – Astrakhan State Technical University, Russia, 2017
- Best Scientific Research Awards – Moscow, Russia, 2016 & 2017

9. Research Interests

- Food Safety & Preservation
- Functional Foods & Nutraceuticals
- Meat & Fish Technology
- Food Packaging & Edible Coatings
- Molecular Biology & Biotechnology
- Food Quality & Analytical Techniques
- Green Nanotechnology & Bioactive Nanomaterials
- Sustainable Food Systems & Valorization of Agro-Industrial By-products

10. Selected Publications & Editorial Roles

- 50+ peer-reviewed articles, book chapters, patents in progress.
- Editorial Board Member: Food Bioscience (SCI Q1), Journal of Functional Foods (SCI Q1), Food & Bioprocess Technology (SCI Q1), Journal of Food Science (SCI Q1), RSC Advances, and 25+ others.
- Reviewer – Elsevier, Springer, Wiley, Taylor & Francis, MDPI

11. Teaching, Supervision & Student Activities

- Preparation of study notes for courses in Food Chemistry, Preservation, Packaging, Quality Control, and Processing.
- Academic advisor for first-year students since 2019.

- Supervised graduation projects, summer training, and MSc/PhD research.
- Delivered workshops on teaching methods, digital learning, quality assurance, and research methodology.

12. Training Programs, Workshops & Community Engagement

- Curriculum & Program Development Workshops (2018)
- Government Excellence Award & Egypt Vision 2030 Workshops (2020)
- Distance Learning & Accreditation Training (2020)
- COVID-19 Scientific Workshops (2020)
- Leadership, Negotiation, Creative Thinking, Lifelong Learning, and Mind Mapping Programs (2018–2023)
- Judging Roles: Egyptian Typical Food Products Contest (2022), Chief Judge ISEF-2022
- Community Engagement: Agricultural awareness convoys, public lectures, and training programs

13. Computer & Digital Skills

- Operating Systems: Windows (Advanced)
- Programming: Basic HTML, Java
- Applications: MS Office, WordPerfect, AutoCAD, MATLAB, SAP, SPSS, SAS, M-Stat, Quattro Pro
- Digital Competencies: Information processing, communication, content creation, digital safety, and analytical problem-solving

14. Languages

- Arabic – Native
- English – Fluent (C1–C2)
- Russian – Proficient
- French – Intermediate
- German – Basic
